Request for Correction of Building Height in TG-iPASS Application

To
The Concerned Authority
TG-iPASS, Government of Telangana

Subject: Request for correction of building height in TG-iPASS application

Respected Sir/Madam,

I am the applicant for the TG-iPASS application pertaining to my proposed **Mushroom Farm Project**.

I respectfully submit that, due to an inadvertent data-entry error while submitting the TG-iPASS application, the **building height has been entered as "16 meters"** instead of the correct value of **"16 SFT."(4.87meter)**

The correct building height intended for the proposed building is **16 SFT(4.85)**. I therefore request the concerned authority to kindly permit/carry out the necessary correction in the TG-iPASS application and treat the correct building height as **16 SFT**.

I am also submitting the corrected building plan/drawing, wherever required, for verification and record.

I regret the inadvertent error and request you to kindly consider the correction without rejecting the application.

Application Details:

- **TG-iPASS Application/CAF No.:** SML0180049148145
