Respected Sir/Madam,

Subject: Non-release of sanctioned T-PRIDE Investment Subsidy under G.O. benefits — Urgent intervention requested for **PH entrepreneur** — Reg.

Ref:

1. G.O.Ms.No. 29, Industries & Commerce (IP) Dept., dated 29-11-2014
2. G.O.Ms.No. 78, Industries & Commerce (IP & INF) Dept., dated 09-10-2015
3. DIC Letter No. DIPC/INC2018011611237, dated 08-05-2019
4. Minutes of the DIPC Meeting No. 39 held on 24-04-2019

I, **Gaddi Kanakaiah**, Proprietor of **M/s. LS Transport Services**, 9-5-300, Karimnagar, a **Physically Handicapped (PH) entrepreneur**, respectfully submit that my industrial unit was sanctioned an **Investment Subsidy of ₹1,91,473/-** (Rupees One Lakh Ninety-One Thousand Four Hundred Seventy-Three only) under the **T-PRIDE (PHC) scheme**, as per reference (3) above.

Despite the clear sanction and the passage of more than six years, the subsidy has **not been released**. I have **fully complied** with all post-sanction obligations, including submission of **audited accounts, annual performance reports, and prescribed returns**. There has been **no communication regarding rejection, deferment, or deficiency**.

As per **G.O.Ms.No. 29 & 78**, the **Telangana Industrial Policy framework** and subsequent **DIC guidelines**, investment subsidies for PH entrepreneurs are to be **disbursed on priority** to support livelihood, entrepreneurship, and social inclusion. The **delay of over six years** contravenes the very purpose of the scheme and constitutes a **serious administrative lapse**.

Further, as a PH entrepreneur, my entitlement is supported under:

- **The Rights of Persons with Disabilities Act, 2016 (RPwD Act)** — emphasizing equal opportunity and financial support for PH citizens to enable economic participation.
- **Telangana Industrial Policy 2014–2020** and **T-PRIDE Scheme Rules** — mandating timely disbursement of subsidies to eligible entrepreneurs, especially SC/ST/PH categories, to promote inclusive industrial development.

- **Administrative Guidelines of DIC & Industries Department** — requiring that sanctioned subsidies be released **without avoidable delay**, and that PH entrepreneurs receive priority consideration.

In view of the above, I humbly request your **kind and urgent intervention** to:

1. Direct the **District Industries Centre, Karimnagar** to immediately **process and release** the sanctioned subsidy.
2. Conduct a departmental review to address the **abnormal delay** and ensure accountability.
3. Ensure that PH entrepreneurs, as recognized under RPwD Act and State Industrial Policy, **receive priority treatment** in all pending subsidy disbursements.

This matter concerns **livelihood, social justice, and humanitarian rights**. I sincerely hope that your good office will act swiftly to release the subsidy that was sanctioned **long back**, thereby upholding the spirit of inclusive development envisioned under the T-PRIDE scheme.

Thanking you,

Yours faithfully,
Gaddi Kanakaiah
