Subject: Request for Rectification and Issuance of Factory License as per the Factories Act, 1948

Dear Sir,

With reference to the factory license application, it has been observed that in Column No. 6, the minimum number of workers to be employed has been mentioned as 5. As per the provisions of the Factories Act, 1948, this number does not meet the threshold for applicability under the Act.
However, the actual workforce including contract and casual employees currently exceeds 10 to 12 persons. In light of this, I respectfully request that the application be rectified to reflect the accurate number of workers and that the factory license be issued accordingly, in compliance with the provisions of the Factories Act, 1948.
