M/s Sri Bhagyavathi Coconuts and General Merchants has applied for CFE of the Board to establish a "Edible Oil Manufacturing" unit at Plot No. 18, Sy. No. 168 (Part) & 170 (Part), Food Processing Park, Bandathimmapur, Bandathimmapur Village, Mulugu Mandal, Siddipet District with a line of activity "Edible Oil Mills-Oil Mills Ghani and Extraction without boiler (no refining/ hydrogenation)" under Green category.

In this regard, the proposed site was inspected on 17.06.2026 and observed that they have already established the shed but not yet installed machinery.

As per new CPCB categorization 2025, the line of activity i.e., Vegetable oil manufacturing including solvent extraction and refinery /hydrogenated oils @ sl. no. 113.1 is covered under Orange category and the line of activity i.e., Oil mills Ghani and extraction without boiler (no refining/ hydrogenation) is covered under Green category.

As per details submitted by the industry, the industry has proposed coal / husk / briquettes boiler of 0.5 TPH.

In view of the above, after examining the CFE application and the verification report, the CFE application of the industry is herewith rejected for the following reasons:

1. The industry has applied under Green category instead of Orange category
2. The industry has already established the industry without obtaining consent of the Board.

The industry is hereby advised to apply under Orange category instead of Green category.

This order is issued under Section 27 of the Water (Prevention and Control of Pollution) Act, 1974 and under Section 21/22 of the Air (Prevention and Control of Pollution) Act, 1981.

There shall not be any establishment of the industry, without obtaining CFE of the Board, as per the provisions of the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1981.
