Subject: Request for sale deed execution of M/s Solon Energy System reg…

Respected Ma'am,

I, Mr. Ramesh Nenavath, Proprietor of **M/s Solon Energy Systems**, respectfully submit that our unit is situated at Plot No.1 (Part), IP Nancherla, Mohammadabad Mandal, Mahabubnagar District, Telangana – 509337, allotted by TGIIC.

We are pleased to inform you that the allotted land has been fully developed within the stipulated period of two years, and the manufacturing project for rubber mulch and granules has been successfully implemented. Further, we confirm that all the pending 8 EMIs have been cleared.

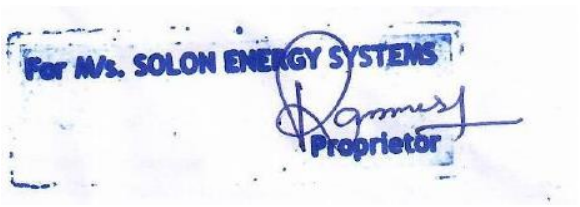

In this regard, we humbly request your good office to kindly arrange for the execution of the Sale Deed at the earliest. The execution of the Sale Deed is essential for creating a mortgage in favour of IFCI Venture Capital Fund for Scheduled Tribes, New Delhi, which has proposed to extend financial assistance for our expansion project. The said financial institution requires the registered Sale Deed to process and disburse the funds before the close of the financial year 2025–26 (31st March 2026).

We further request your kind consideration for waiver of penalties, surcharge, and interest, if any, as the unit faced significant financial challenges during the COVID-19 period, which affected project implementation and operations.

We sincerely request your support and early approval for execution of the Sale Deed to enable further industrial growth and expansion of our unit.

Thanks, and Regards

.
