Sub: Request for Addition of Mixed Solvents of Lithium Bromide MLs

Dear Sir,

With reference to the above subject, we M/s Sri Monashi Life Sciences Pvt Ltd Located at Plot No. 149 & 150, Sy. No. 241, Phase-II, IDA Pashamylaram, Sangareddy Dist, Telangana State having Consent Order against Consent Order No. TSPCB/ZO/RCP/PASHA/210/CFO/2021-1040 for manufacturer of the following products along with quantities as below:

S No.	Products	Quantity
1.	Distillation of Spent solvents / Mixed Solvents (Acetic Acid, Acetone, Acetonitrile, N-Butanol, N-Hexane, Dimethyl Formamide, Ethyl Acetate, Ethylenedichloride, Iso Pripyl Alcohol, Methanol & Toluene	15 TPD

As shortage of availability of above solvents/Mixed solvents our plant is not running in full capacity of permitted load i.e., 15 TPD. Inview of above we are requesting to amend and add the Mixed Solvents of Lithium Bromide MLs – 3 TPD to the existing permission.

Details process of the Lithium Bromide Mixed Solvents Mls are enclosed with flow diagram and material balance.

Please consider our request and do the needful to us.

Thanking you Sir,
Yours Sincerely,
For Sri Monashi Life Sciences Pvt Ltd
